ABOUT THIS AGENDA:

This meeting includes three distinct "tracks." Each track will focus first on how we **Align** stakeholders and perspectives, then work to **Accelerate** your activities in a roll-up-your-sleeves session, then lastly on inspirational bright spots that point toward what we all want to **Achieve**. You can follow one track the whole way through, or mix and match.

Tracks are distinguished by color on this agenda:

- Green for Payment
- Orange for Cost
- Blue for Care Across Settings

More details are in the full agenda in your portfolio!
