

Share Your **STORY**.
So we can share it with the world!

I want to share a story
about my hospital's success
using EHRs to improve care.

Now you can share your stories after you log-in
to **Forces4quality.org**. Just select the "Share My
Story" button on the left side of the page.

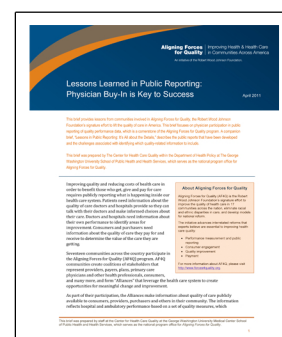

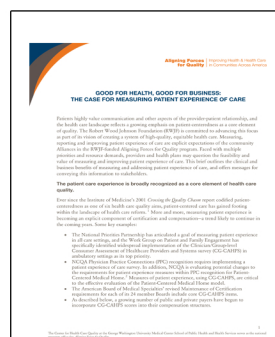

Share Your **Story**

Tell us about AF4Q's impact on
your community.

[Share My Story](#)

Fill out the form and submit your story.

Your story may be featured in a website
bright spot, article, what we've learned,
or in many other printed products
